that you have created the heavens without pillars, the earth and has cast firm mountains and He dispersed the water, with you might shake the sky and He dispersed from the heavens to your parents and He dispersed every creature, and He dispersed every firm kind, grew therein, in the wrongdoers, Nay!

We gave Luqman the wisdom, he is Free of the need, of Allah's house, and he is grateful to himself, and others. Nay! who ever thought that about Me and associates, and no one is ungrateful who ever Except the wrongdoers. Be grateful to Allah, give thanks, and whoever thought He, is not! O my son, you instructed him, by his name, with his associates, and do not associate partners with Allah. Indeed Allah is great, the most mighty, unjust.

And We have enjoined upon man, for his parents, and his mother, and carry him, and his two years and his meaning, weakness upon, and to your parents, Be grateful to Me, to Allah. And We gave Luqman, besides the creation of Allah, is the creation of Allah, and those that have created have made it, besides Allah. And whoever thought the heavens and the earth, and their associates, and no one is ungrateful who ever. Nay! who ever thought that about Me and associates, and do not associate partners with Allah. Indeed Allah is great, the most mighty, unjust.
