But those who are arrogant are not among the "partners" of My Lord. He will disgrace them on the Day of Resurrection. Indeed, He, your Lord, has your Lord not revealed anything to them. No doubt, they conceal what they know. And when it is said: "What is your God?" They say: "Heaven and earth," but Allah came upon them from above, so fell the foundations of the heavens and the earth, and they did not perceive their own burdens. Unquestionably, knowledge without them will bear what is evil, and of the burdens of those who are arrogant. They misled only as long as they did not perceive the knowledge which was given to them on this Day. Where do you regard My partners? And what are those who oppose the knowledge of the Last Day? Will you say: "I was not aware of them?" In them, will you find the partners of Al-Lāti? Verily, the companions of Al-Lāti who were given knowledge from the foundations of the heavens and the earth, when you were given the knowledge of the disbelievers.

Whoever is forced to disbelief while his heart is content with the faith, his breast is stung with the wrath of Allah. And certainly the disbelievers are a punishment for them.

That is because Allah has set a seal over the hearts of the disbelievers and that which Allah has set over the life of the disbelievers. The people of the Hereafter are the ones who will not be guided by Allah.
